Grant of a piece of land adjoining the District Board Musafirkhana, Nagamangala, free of cost.

I have the honour to state that one Mr. Beluriah, Vahivatdar of Keshavaswamy Temple at Nagamangala, petitioned to this office for grant of a portion of land out of the vacant site adjoining the Musafirkhana at Nagamangala, being given free of cost for the use of the Temple viz., for constructing a small building for the Archakaof the Temple.

The piece of land formerly belonging to the applicant Mr. Beluriah who had left it entirely for the use of the temple, was acquired by the Mysore District Board for the extension of the Musafirkhana at the place some time back.

The narrow strip of land now applied for, forms a part of the said acquired land. This portion is so situated just adjacent to the Temple that it can with much advantage and convenience be made use of by the temple authorities for constructing a small house for the use of Archika. It is not in any-way useful to the Board and is not required to serve any useful purpose even for the existing Musafirkhana. The purpose with which, it is asked is for the use of a Temple.

The representation of the party was placed before the Board at its meeting held on 2-11-44 for consideration. After considering the various aspects of the subject in the light of the Circumstancces explained above, it has decided to grant to the Temple authorities free of cost a portion of land adjacent to the maternity measuring East to West 6½ yds. and North to South 20yds. as per details marked in Red Pencil in the sketch enclosed. A copy of the Resolution is herein also enclosed for information.

In this connection I would like to bring to the kind notice of Government that the small bit of land required is for the use of a temple and it forms as already explained part of the land originally left by its owner for the same purpose. It is not in any way useful to the Board.

In view of the above facts, sanction of Government may kindly be obtained to the Resolution of the Board and communicated.

"As desired in your letter No.L.6309 L.B.29-42-83 dated 24-12-1944, I have the honour to forward herewith a clear sketch showing the portion of each bit of the land in the area proposed to be disposed off from out of the premises of the Nagamangala Musafirkhana belonging to the District Board by auction and free gift etc. As noted in the sketch, the land marked 'A' measuring 57' x 36' = 228 Sq.yds. is one proposed to be sold in public auction. B1 is the land already encroached upon by the Municipality 109 X 10½' = 125 Sq.ft. B2 is the land still more required by the Municipality for widening the road to 30' as per recommendation of the Deputy Commissioner, Mandya, after the inspection of the locality. Thus the total extent of land measuring 109' x 30' = 3270 Sq.ft. has to be given to the Municipality, the cost of which according to the market value has to be recovered from the Municipality as compensation for the said land. The bit marked C is the land lying behind the temple measuring 10½' X 60' = 70 Sq.yds. proposed to be given to the temple as free gift. Adverting to your further communication No.6233 dated 22-12-44 on this subject, I would like to state that the grant of this bit of land free of cost is not in lieu of the compensation of Rs.258-12-0 awarded for the portion of land acquired from the Vahivatdar of the temple, Mr. Balumiah. It is proposed to be given to the temple in the interest of public with a view to facilitate the services of the Archika to the temple by providing him a small dwelling attached to it, so that he may be available to the public to attend to their calls whenever his services are required. It is from this point of view that the Board has proposed to grant the land free of cost. It is in continuation of the compound wall of the Maternity Hospital as can be seen from the

P.T.O.

the fresh sketch sent herewith. This explanation, it is hoped, would make matters clear.

I request that sanction of Government to each of the three proposals already made may kindly be obtained early. "
